CHANGE IN SHOW DATE

Word has been received that the Mid-Florida show has been delayed one week. The date is now set for September 20th.

The place will be the San Juan Hotel. Entries can be made from 7 AM to 10 AM. The public can see the show from 1 PM on.

All growers are invited to bring bloom and enter in the competition. A good show is planned so bring your bloom and win some blue ribbons.

PRESIDENT'S REPORT - ANNUAL MEETING 1959

It has been my privilege to serve you as President of this Society during the past two years. I am fully aware that many things are left undone that I had hoped to see accomplished during my tenure of office and that my stewardship was lacking in many ways because of other affairs that demanded my attention.

For the two hears, I have attended all meetings of the Board and other called committee meetings. I have personally answered all correspondence that came to me or that was referred to me. During this time, I have personally assumed all expenses for postage and phone calls that were part of the business of the Society. I have kept in close contact with the Executive Secretary and tried to be familiar with all of the affairs of the Society.

On the whole, I believe that the past two years have been a period of harmony among our members, officers and Chapters. It has been a period of solid growth and accomplishment and the prestige of AHS has risen accordingly. To those of you who have contributed so much of your time and substance in bringing this about, I extend my heartfelt thanks and appreciation.

I take particular pride in the development of our publication "The Seed Pod". And here, I want to recognize the efforts of our past Executive Secretary, Billie Calais. Her cooperation in planning, gathering of material, soliciting of ads and general supervision laid the ground work of the project that is so ably being carried on by our present Executive Secretary. This little publication has done more to promote good will and create interest in our Society than any one thing that we have ever done.

To the new Board of Officers, I hereby extend my congratulations and the offer of my help or advice in the future whenever it may be wanted. And again, thanks to all of you.

L. K. Thompson
Retiring President
